EMMA CRAFT

STEWARDESS | YACHT CREW | DUAL US & DANISH CITIZEN

Dual US and Danish citizen, born and raised in St. Croix, U.S. Virgin Islands, I come from a family of sailors and have been on the water from a young age, continuing to sail through boarding school and most recently aboard the 250-ft full-rigged Training Ship DANMARK. STCW-certified and currently working as sole stewardess aboard a charter yacht, I am seeking a stewardess position within the maritime industry where I can continue to grow and develop my skills.

EXPERIENCE

Sole Stewardess — M/Y Indulge II May 2026 – Present

Sole stewardess on a busy charter yacht. Responsible for interior cleaning and presentation, guest service, serving meals, preparing cocktails, and ensuring a high standard of hospitality throughout charters, while coordinating with crew to ensure smooth operations and event preparations. Also works across departments, helping the deckhand department with handling lines and fenders and assisting with the tender.

Training Ship DANMARK — MARTEC, Denmark Aug 2025 – Jan 2026

Completed a maritime training programme through MARTEC, Denmark, including six weeks of shore-based training and more than three months at sea aboard the 250-ft full-rigged Training Ship DANMARK, living in close quarters with 80 other crew and sleeping in hammocks. Gained STCW certification in fire fighting, survival craft, crowd and crisis management and first aid, alongside seamanship, navigation and watchkeeping training. Accustomed to working in challenging environments, including heavy seas, and to life as part of a large team.

Southern Saint & Surf Co — luxury clothing & swimwear, USVI 2023 – 2025

Delivered guest-focused service by assisting customers, providing tailored recommendations, maintaining inventory and displays, and managing social media content.

Harbour Prime Steak & Seafood — USVI Jan – Jul 2025

Worked with kitchen and bar staff to deliver efficient service, maintain a professional environment, and provide excellent guest experiences in fast-paced settings.

EDUCATION

MARTEC Skoleskibet DANMARK 2026
Maritime Graduate College

Good Hope Country Day School, St. Croix 2025
High School Diploma
